Since 2002, Smartstone Australia has been a leading distributor of engineered quartz surfaces. During this time it has built a solid reputation for quality, beauty, sustainability and value with architects, interior designers, builders and discerning individuals who have chosen Smartstone to enhance their residential and commercial environments.

What makes Smartstone so smart is its use of cutting edge technology to create a surface that is composed of a minimum of 93% quartz combined with resins and organic pigments. The result is a surface with superior properties of durability and strength that is highly resistant to impact, heat, scratching, chipping or cracking, and also resistant to acids, oils and liquids – even red wine and coffee. Thanks to Smartstone, enjoying luxurious stone and marble-look surfaces is a more accessible and affordable option.

**Latest colour collection**

Smartstone offers 24 of the most innovative, pure and beautiful colours and patterns available in four versatile colour collections. There is a Smartstone colour to suit every style of architecture and personal taste, as well as a choice to suit every budget.

The Santorini Collection – *pure, clean, beautiful whites*  
The Toledo Collection – *earthy creams and warm beiges*

The Paris Collection – *rich khaki greens and sophisticated browns*  
The Milan Collection – *a sleek, chic black and grey palette*

**Applications**

Smartstone quartz surfaces can be used in virtually any residential or commercial indoor surfacing application, and is the ideal choice for kitchen bench tops and splashbacks, bathroom vanities, bath surrounds and wall paneling due to their non-porous quality.

**Care & Maintenance**

Smartstone quartz surfaces are designed to offer high performance with low maintenance. It is easily cleaned with warm, soapy water and a soft cloth – that, and a little common sense, is all it requires. Your Smartstone surface will never require waxing or sealing as the quartz composites create low moisture absorption providing maximum resistance to staining. Smartstone also comes with a 15-year Limited Warranty.

Performance	
Porosity:	low
Hardness:	high
Stain resistance:	high
Scratch resistance:	high
Heat resistance:	high
Chemical resistance:	high
Sealing:	not required

**Certification**

Smartstone quartz has been tested by the CSIRO and due to its low moisture absorption, is resistant to stains caused by wine, fruit juices, liquid food colouring, tea and spices with strong colours.

Smartstone Australia Pty Ltd is a subsidiary of HVG.

*Disclaimer: Smartstone is a natural product and therefore some variations in colour and pattern may occur. Small inclusions in the product such as small particles are within acceptable standards.*
